## **WRIT OF EXECUTION – EXHIBIT B**

The foregoing writ of execution is to be levied in conformity with United States and New York law against any property or property rights in any form (personal or real, tangible or intangible, materialized or dematerialized, direct or indirect, or fungible, including but not limited to any reserves, cash, gold, silver, securities, securities entitlements, securities accounts, equity interests, claims, contractual rights; statutory rights, special drawing rights from the International Monetary Fund, or any other interest of any kind in any asset of any kind) held or maintained by, or in possession, custody, or control of,

Federal Reserve Bank of New York  
33 Liberty Street  
New York, New York 10045

for the benefit of the government of Afghanistan (which the Taliban, also known as the Islamic Emirate of Afghanistan, claims to be and to control), Da Afghanistan Bank (“DAB”), the central bank of Afghanistan (which is a bank, the assets of which, the Taliban, also known as the Islamic Emirate of Afghanistan, claims to own and control), any political subdivision of the Islamic Republic of Afghanistan or the Islamic Emirate of Afghanistan (which the Taliban, also known as the Islamic Emirate of Afghanistan, claims are its political subdivisions), and/or any agency or instrumentality of the Islamic Republic of Afghanistan or the Islamic Emirate of Afghanistan (which the Taliban, also known as the Islamic Emirate of Afghanistan, claims are its agencies and instrumentalities).

Beginning on or about August 16, 2021, the previous government of Afghanistan was deposed by the Taliban, which identifies itself as the Islamic Emirate of Afghanistan. On or about August 19, 2021, the Taliban declared itself the government of Afghanistan and changed the name of the country to the Islamic Emirate of Afghanistan, which is also the name of the Taliban. The Taliban, as the Islamic Emirate of Afghanistan, asserts control over the country formerly known as Afghanistan, previously governed by the Islamic Republic of Afghanistan, and has assumed governance of the people within the jurisdictional borders of Afghanistan. The Taliban, as the Islamic Emirate of Afghanistan, claims ownership of, and control over, all property, property interests, and all rights belonging to the former government of the Islamic Republic of Afghanistan, including all assets belonging to DAB, the central bank of Afghanistan.

On the same day the Taliban took control of Afghanistan’s capital, including the facilities of DAB, the United States froze approximately \$7 billion of DAB’s asset reserves held at the Federal Reserve Bank of New York (“FRBNY”) to prevent them from being withdrawn by a Taliban-controlled DAB or otherwise transferred to the Taliban.

On February 11, 2022, President Biden issued Executive Order 14064 entitled “Protecting Certain Property of Da Afghanistan Bank for the Benefit of the People of Afghanistan,” designating “[a]ll property and interests in property of DAB that are held, as of the date of this order, in the United States by any United States financial institution, including the Federal Reserve Bank of New York, a[s] blocked[.]” Exec. Order 14064 § 1(a). The Executive Order further provides that all U.S. financial institutions must transfer all property and interests in property of DAB in the United States to the FRBNY. *Id.* § 1(b). Contemporaneously with the

issuance of Executive Order 14064, the United States issued a license through the Treasury Department's Office of Foreign Assets Control which authorizes, directs, and compels the FRBNY to transfer up to \$3.5 billion of DAB's blocked assets "for the benefit of the People of Afghanistan." The remainder of the blocked DAB assets, approximately \$3.5 billion, "remain in the United States and are subject to ongoing litigation by U.S. victims of terrorism." *See* February 11, 2022 Fact Sheet: Executive Order to Preserve Certain Afghanistan Central Bank Assets for the People of Afghanistan.

The April 20, 2022 Rule 54(b) final judgment entered in favor of certain Plaintiffs in *Federal Ins. Co., et al. v. Al Qaida, et al.*, Case No. 1:03-cv-06978 (GBD) (SN), against the Taliban (also known as the Islamic Emirate of Afghanistan), and awarding Plaintiffs \$3,117,082,655.33 in actual damages, \$9,351,247,965.99 in trebled compensatory damages, and prejudgment interest of \$5,321,558,154.65, *see* MDL 1570 ECF No. 7888, attached hereto as Exhibit C, can be enforced against any and all assets belonging to the government of Afghanistan, including any assets held at the FRBNY in the name of, for the benefit of, or on the account of DAB, the central bank of Afghanistan.
